

# Great Taste

## Project

Comfort whilst enjoying the food and palatial gardens were an essential ingredient of the Restaurant makeover. Reduction of heat and glare together with the need to insulate as well as design were all important aspects.

## Solution

Enduradrape French Pinoleum blinds with Solarwood® heat and glare reducing backing for maximum efficiency. Blinds can be factory painted to any standard paint colour.

## Specification

Timberdrape Roman drape fixed blinds made using Stone/Solarwood Flame Retardant treated Pinoleum material.
